

CURRICULUM VITAE

TAKAHIRO SUZUKI, M.D., M.P.H.

St. Luke's International Hospital, 9-1 Akashi-Chou, Chuo-ku, Tokyo, Japan

+81(3)35415151 takasu.623@gmail.com

Basic Information

Name: Takahiro Suzuki

Degree: M.D., M.P.H.

Job Title: Clinical Assistant Professor

Affiliation: Department of Cardiovascular Medicine, St. Luke's International Hospital

Skills: "Clinical cardiology", "Interventional Cardiology", "Intensive care medicine", and "General physician", medical research, medical writing, medical statistics (programming with R)

Education

<i>Year</i>	<i>Degree</i>	<i>Field of Study</i>	<i>Institution</i>
2010-2016	M. D.	Medicine	Institute of Science Tokyo
2021-2023	M.P.H.	Public Health	Johns Hopkins Bloomberg School of Public Health, Baltimore, Maryland, US
2024-	Ph.D.(candidate)	Medicine	Institute of Science Tokyo

Appointments at Hospitals /Affiliated Institutions

<i>Year</i>	<i>Degree</i>	<i>Department</i>	<i>Institution</i>
2016-2018	Junior Resident	Department of Internal Medicine	St. Luke's International Hospital, Tokyo, Japan
2018-2019	Senior Resident	Department of Internal Medicine	St. Luke's International Hospital, Tokyo, Japan
2019-2020	Chief Resident	Department of Internal Medicine	St. Luke's International Hospital, Tokyo, Japan
2020-2022	Clinical Fellow	Department of Cardiovascular Medicine	St. Luke's International Hospital, Tokyo, Japan
2023-	Educational Chief / Clinical Assistant Professor/ Clinical Staff	Department of Cardiovascular Medicine	St. Luke's International Hospital, Tokyo, Japan
2023-	Joint Researcher	Department of Cardiology	Keio University

Professional Societies

<i>Year</i>	<i>Society Name</i>	<i>Title of role</i>
2017-	Japanese Society of Internal Medicine	Member, Specialist
2018-	Japanese Circulation Society	Member, Specialist
2019-	Japanese Chief Resident Association	Member
2020-	Japanese Society of Intensive Care Medicine	Member, Specialist
2020-	Japanese Association of Cardiovascular Intervention and Therapeutics	Member, Specialist
2020-	Japanese Heart Failure Society	Member
2023-	Japanese College of Cardiology	Member
2023-	European Society of Cardiology	Member
2025-	Japanese Society of Hypertension	Member

Honors, Awards

<i>Year</i>	<i>Name of Prize</i>	<i>Conference / Paper</i>	<i>Awarding Organization</i>
2016	Best Resident	Department of Internal Medicine	St. Luke's International Hospital, Tokyo, Japan
2017	Best Award	Academia 2018	St. Luke's International Hospital, Tokyo, Japan
2020	Case Report Award	The Regional Meeting of The Japanese Circulation Society, Tokyo, Japan	The Japanese Circulation Society

Research Grants

<i>Year</i>	<i>Award</i>	<i>Awarding Organization</i>
2023	J-PVAD Publication Award 2023	Japan VAD Council, IMPELLA Committee
2024	CVIT Travel Grant for Young Members Attending International Scientific Meetings	Japanese Association of Cardiovascular Interventional and Therapeutics
2025	J-PVAD Publication Award 2025	Japan VAD Council, IMPELLA Committee
2026	Young Research Support Program of the St. Luke's Health Science Research Fund (YR2025-02)	St. Luke's International Hospital, Tokyo, Japan

Report of Clinical Activities and Innovations

Current Licensure and Certification

<i>Year</i>	<i>Type of responsibility / Location</i>
--------------------	---

- 2016 *Japan National Board Certification of Medicine*
- 2018 *Board Certification of Immediate Cardiac Life Support / Japanese Association for Acute Medicine*
- 2021 *Board Certified Member of the Japanese Society of Internal Medicine / The Japanese Society of Internal Medicine (license# 21101057)*
- 2021 *Advanced Cardiovascular Life Support Provider / American Heart Association*
- 2022 *Board Certified Member of the Japanese Circulation Society (license# 146961)*
- 2022 *Board Certified Member of the Japanese Society of Intensive Care Medicine (license# 19560)*
- 2022 *Board Certified Member of the Japanese Association of Cardiovascular Intervention and Therapeutics (license# 17097)*

Guideline Member

- 2023 *Guideline Member of the Japanese Circulation Society (JCS/JCC/JACR/JATS 2024 Guideline on Cardiovascular Practice With Consideration for Diversity, Equity, and Inclusion)*
- 2024 *Guideline Member of the Japanese Society of Intensive Care Medicine (The Japanese Critical Care Nutrition Guideline 2024)*
- 2024 *Guideline Member of the Japanese Society of Intensive Care Medicine (ARDS Clinical Practice Guideline 2024)*

Report of Scholarship

Peer-reviewed publications (First Author Only)

Presentations at Congress

International Conferences

<i>Year</i>	<i>Style</i>	<i>Title of the presentation</i>	<i>Congress Name</i>
2026	Poster	Non-fatal Adverse Events and Risk for Subsequent Mortality in Patients Undergoing Percutaneous Coronary Intervention. Circulation: Cardiovascular Interventions	ACC (American College of Cardiology) Scientific Sessions
2026	Poster	Prognostic Implications of Bleeding and Ischemic Complications in Acute Myocardial Infarction-Related Cardiogenic Shock With Impella	ACC (American College of Cardiology) Scientific Sessions
2025	Moderated Poster	Left-digit bias in Serum Creatinine Levels and Contrast Administration: a Nationwide Cohort Study using a Japanese Percutaneous Coronary Intervention Registry	ESC (European Society of Cardiology), Madrid, Spain
2024	Poster	Prognostic Implications of Contrast-Associated Acute Kidney Injury after Percutaneous Coronary Intervention: A Stratified Risk Score Assessment	ACC (American College of Cardiology) Scientific Sessions, Atlanta, US
2024	Moderated Poster	Association between in-hospital haemoglobin drop with or without overt bleeding and long-term clinical outcomes after percutaneous coronary intervention	ESC (European Society of Cardiology), London, UK
2023	Poster	A systematic review of screening and assessment tools for social determinants of health in the field of cardiovascular disease	The Asian Pacific Society of Cardiology (APSC), Singapore
2023	Moderated Poster	Coronary Artery Calcium and All-Cause Mortality in the Multicenter Aids Cohort Study: MACS	AHA (American Heart Association) Scientific Sessions, Philadelphia
2023	Poster	The Off-Hour Effect on Clinical Outcomes of ST-Segment Elevation Myocardial Infarction Complicated by Cardiogenic Shock Patients Treated With Impella: Insight From J-PVAD	AHA (American Heart Association) Scientific Sessions
2022	Poster	The time trend of information seeking behavior about salt reduction in Japan	International Society of Hypertension, Kyoto, Japan
2022	Poster	Nationwide Trend Analysis of Adding Salt to Meals in Japan: Cookpad Data, 2010-2014	International Society of Hypertension, Kyoto, Japan
2022	Poster	Left-digit Bias in Out-hospital Cardiac Arrest - JCS ReSS	AHA Resuscitation Science Symposium, Chicago, US

Domestic (Japanese) Conferences

Year	Style	Title of the presentation	Congress Name
2025	Symposium	Practice and challenges of heart team–based care for acute coronary syndrome complicated by cardiogenic shock	The Japanese Society for Coronary Artery Surgery, Utsunomiya, Japan, 2025.
2025	Symposium	Reconsidering PCI strategies for coronary artery disease in Japan: insights from major landmark trials and real-world practice at our institution	The Japanese Association of Cardiovascular Intervention and Therapeutics, Osaka, Japan, 2025
		A collaborative project linking the National Clinical Database and quality indicators: exploratory attempts at nudge-based feedback in future J-PCI reporting	
2025	Oral	Association of in-hospital haemoglobin drop with or without overt bleeding and long-term clinical outcomes after percutaneous coronary intervention	Japanese Association of Cardiovascular Intervention and Therapeutics, Osaka, Japan
2025	Oral	Understanding the real-world landscape of out-of-hospital cardiac arrest from data and efforts to improve resuscitation systems.	Tokyo CCU Conference, Tokyo, Japan,
2025	Oral	Potential and limitations of AI prediction models in the management of complications during percutaneous coronary intervention.	The 38th Annual Meeting of the Japanese Coronary Artery Disease, Nagoya, Japan
2024	Symposium	Examining the Clinical-Evidence Gap in the ISCHEMIA/ORBITA2 Trials	The Japanese College of Cardiology, Sendai, Japan, 2024
2024	Symposium	Global Landscape of Quality Improvement Initiatives in Percutaneous Coronary Intervention	The Japanese Association of Cardiovascular Intervention and Therapeutics, Sapporo, Japan, 2024
2024	Symposium	Quantifying Physical Activity Through Wearable Technology, The Japanese Association of Cardiac Rehabilitation	The Japanese Association of Cardiac Rehabilitation, Kobe, Japan
2024	Oral	Prognostic Implications of Contrast-Associated Acute Kidney Injury after Percutaneous Coronary Intervention: A Stratified Risk Score Assessment	Japanese Association of Cardiovascular Intervention and Therapeutics, Sapporo, Japan
2023	Symposium	Social Determinants of Health and Cardiovascular Disease	The Japanese Circulation Society, Fukuoka, Japan

2023	Symposium	Risk Stratification for Renal Dysfunction and Bleeding in Percutaneous Coronary Intervention – Future Approaches for Perioperative Complications	Japanese Association of Cardiovascular Intervention and Therapeutics, Fukuoka, Japan
2023	Oral	The association of economic status and preoperative status before percutaneous coronary interventions in chronic coronary syndrome setting	Japanese Association of Cardiovascular Intervention and Therapeutics, Fukuoka, Japan
2023	Oral	Feedbacks using behavioral economic theories on STEP counts in cardiovascular disease patients (FOOTSTEPS): a pilot study	The Japanese College of Cardiology, Tokyo, Japan
2022	Oral	The Impact of Impella 5.0® for Severe Heart Failure	The Japanese College of Cardiology
2021	Oral	Pacemaker infection and endocarditis due to <i>Parvimonas micra</i> : A case report	The Japanese Society of Intensive Care Medicine, Kobe, Japan
2021	Oral	Acute heart failure associated with toxic shock syndrome due to methicillin-susceptible <i>Staphylococcus aureus</i> during the postpartum period	The Japanese Society of Intensive Care Medicine, Kobe, Japan
2021	Oral	The Impact of Coronary Computed Tomography Angiography on Medical Treatment Modification and Prognosis in Patients with suspected Coronary Artery Disease	The Japanese Circulation Society, Yokohama, Japan
2021	Oral	Acute Mitral Valve Regurgitation Due to Early Structural Valve Deterioration following Mitral Valve Replacement Surgery; A case report	The Japanese Circulation Society, Matsuyama, Japan,
2021	Oral	Successful Percutaneous Coronary Intervention (PCI) for Plaque Rupture in Three Branches and Simultaneous Occlusion in Two Branches: A Case Report	The Japanese Association of Cardiovascular Intervention and Therapeutics
2020	Oral	Amoebic Pericarditis that Preceded a Liver Abscess and Developed Alone; A Case Report	The Japanese Circulation Society, Tokyo, Japan
2019	Oral	Rapidly Progressive Glomerulonephritis and a Renal Biopsy with a Diagnosis of Intravascular Large B-cell Lymphoma	Japanese Society of Internal Medicine, Tokyo, Japan,
2016	Oral	Pure Red Cell Aplasia and Hemolytic Anemia Have Developed Simultaneously after Acute B Hepatitis: A Rare Case Report	Japanese Society of Internal Medicine, Tokyo, Japan,

Invited Lectures

1. **Suzuki T.** Social Determinants of Health and Cardiovascular Disease. The Japanese Circulation Society, Fukuoka, Japan, 2023
2. **Suzuki T.** Risk Stratification for Renal Dysfunction and Bleeding in Percutaneous Coronary Intervention – Future Approaches for Perioperative Complications. Japanese Association of Cardiovascular Intervention and Therapeutics, Fukuoka, Japan, 2023
3. **Suzuki T.** Quantifying Physical Activity Through Wearable Technology, The Japanese Association of Cardiac Rehabilitation, Kobe, Japan, 2024
4. **Suzuki T.** Global Landscape of Quality Improvement Initiatives in Percutaneous Coronary Intervention, Japanese Association of Cardiovascular Intervention and Therapeutics, Sapporo, Japan, 2024
5. **Suzuki T.** Examining the Clinical-Evidence Gap in the ISCHEMIA/ORBITA2 Trials. The Japanese College of Cardiology, Sendai, Japan, 2024
6. **Suzuki T.** Practice and challenges of heart team–based care for acute coronary syndrome complicated by cardiogenic shock. The Japanese Society for Coronary Artery Surgery, Utsunomiya, Japan, 2025.
7. **Suzuki T.** Reconsidering PCI strategies for coronary artery disease in Japan: insights from major landmark trials and real-world practice at our institution. The Japanese Association of Cardiovascular Intervention and Therapeutics, Osaka, Japan, 2025.
8. **Suzuki T.** A collaborative project linking the National Clinical Database and quality indicators: exploratory attempts at nudge-based feedback in future J-PCI reporting. The Japanese Association of Cardiovascular Intervention and Therapeutics, Osaka, Japan, 2025.

Teaching and Mentorship

Mentor and Clinical Supervisor, Visiting Clinical Observer from Georgetown University School of Medicine, St. Luke's International Hospital, Tokyo, Japan (February 2–27, 2026)

Other Activities

Translated the following books and articles into Japanese

1. **Suzuki T.** Heart Sounds Made Easy, 2nd edition (ELSPETH M. BROWN, Churchill Livingstone, July 8th, Part3, 2017) [Japanese]
 2. **Suzuki T.** Frameworks for Internal Medicine (ANDRE M. MANSOOR, Wolters Kluwer, November 22th, 2018, Part 5 Pericarditis) [Japanese]
 3. **Suzuki T.** Pocket Medicine, 7th Edition: The Massachusetts General Hospital handbook of Internal Medicine (MARC S SABATINE, Wolters Kluwer, September 12th, Part1 pp18-19, 2019) [Japanese]
-

Published an article in the following books

1. **Suzuki T.** How to Feel Right Heart Strain – Pulmonary embolism – (Sougou Shinryou 2018/January Vol.28 No.1 pp.189/ Igakushoin. DOI <https://doi.org/10.11477/mf.1429201304>) [Japanese]
2. **Suzuki T.** Diagnostic Process of Respiratory Failure – (Heart View 2020/April Vol.24 No.4 pp. 318-323/ Medical View) [Japanese]
3. **Suzuki T.** Differential Diagnosis 1st Impression – Electronic Book – (Medi Link 2020/September 3rd Edition/ Cardiology/ Medic Media) [Japanese]
4. **Suzuki T.** Therapeutic medications for cardiovascular diseases. Resident's note. 23(18): 3127-3137, 2022. [Japanese]
5. **Suzuki T.** Reconsidering the Indications for PCI in CCS Patients 2-1: Does PCI Improve Prognosis? Coronary Intervention 19(5) 21-26, 2023
6. **Suzuki T.** The Rules for Internal Medicine Residents, 4th Edition. 2024. [Japanese]
7. **Suzuki T.** Hypertension: Topics to Utilize in Daily Clinical Practice of Hypertension - Digital Hypertension and Digit Bias. Medical Practice 41(4) 540-544, 2024
